Pretend you are a news reporter and create a news report about someone cheating in the Ancient Greek Olympic games.

Research what happened in the ancient Olympic games. Plan your layout -headline, photo, caption. Write the article with 4 paragraphs - introduction, details about the event, interview with athlete, what will happen to the cheater.

Create a presentation to give to the class on a topic of your choice.

Use PowerPoint, presentation software or create your own visual aids to give a short presentation to the class.

Design and make your own Labyrinth. It could be made of straws, string or wood.

Create a leaflet for a new travel company which arranges visits to Ancient Greece. Use powerful images and text to tempt customers who want an extra-special trip!

Use key terms and images to make it informative and eye catching.

Create an information poster about the topic you are learning about in Science.

Use any key terms you have learnt, make it informative and eye catching!

Create a mosaic of an Ancient Greek god or goddess. Choose your favourite Greek god and create a beautiful mosaic using lots of smaller pieces of paper.

Make a Greek postcard!

Research a modern Greek island and make and write a postcard to someone, telling them all about your holiday there.

Create a fraction!
Can you create different representations of fractions using different foods or objects?

To challenge yourself further, can you show me fraction equivalences?
(E.g. $1/2 = 2/4 = 3/6$)

Make a collage using pictures from holiday brochures or the internet showing ancient buildings and interesting places to visit in Greece.

Learn your 3, 4 and 8 times table facts.
Record these in your homework book.

Continue using TT Rockstars, Numbots and Bedrock Vocabulary.

Identify key terms we have learnt in this project and write a dictionary

Find out the definitions of the key words and write a glossary to help you learn spellings and keywords.

With the help of an adult, make your own Greek recipe. Take a photo and stick it in your book. Write the recipe including equipment, ingredients and instructions.
