Please note the school pays subscriptions to a lot of these websites and usernames and passwords should be used and shared with discretion.

Children working above/below their year group in subjects can access other year group/key stage work as appropriate. Please refer to your child's class for suggested activities and tasks. These activities are designed to cover the national curriculum objectives that would have been covered in class at this time. Please do the tasks that best suit your child's needs, for some children this may mean looking at some of the learning from the year above or below.
