Dear Year 5 Parents and Carers,

After two years of clarinet lessons provided by Suffolk County Music Service and funded by the school, we would like to offer your child the opportunity to continue with small group lessons next year in Oak class, depending on how many children are interested.

It is likely that there would be a small charge for each lesson which would be dependent on uptake.

In order for us to establish the exact price and availability, please let us know if your child would be interested in these lessons by returning the attached slip to the school office as soon as possible.

Yours sincerely,

Rebecca Loader
