Looking Ahead

Purple Day

On Friday, 7th May, we will be holding our first Purple Day in order to raise much-needed money for Cancer Research. All pupils will be asked to wear one item of purple clothing or a purple accessory and bring in a small donation.

Parking

In the last week, I have received three complaints about parking and dangerous driving by parents or carers picking up their children from school, including several cases of parking on yellow lines and even one regarding reversing into a no-entry road when other families were about to cross.

I would urge anyone picking up their children to park away from the school if at all possible, but also to give yourself enough time so you are not rushing and having to perform dangerous manoeuvres putting other families at risk. Please be considerate of our neighbours- they should not expect to have driveways blocked or cars parked on the grass.

Please do not take matters into your own hands if you observe this kind of behaviour- it will not help if parents start having heated disagreements outside the school gates in the presence of their children. Having said this, if I receive any more complaints about parking, I will be suggesting the complainant call the police.

The PTFA would like to invite you to their annual AGM on Wednesday 21st April 2021 from 8pm. Come along and hear what we've raised with your help during the pandemic, and where some of that money has been spent.

We are always keen to welcome new members, and one important part of the AGM is to vote in our Chairperson, Secretary, and Treasurer. If you feel you're able to help in any of those roles, or would just like to hear more about what we do, then we look forward to meeting you.

Due to current COVID restrictions, this meeting will be held over Zoom, rather than face to face, which has the added bonus of you being able to stay for how long, or little you like, however much time you can afford to spare!

Meeting ID: 861 1131 2083
