The Suffolk Road Safe Team are now delivering sessions for families who want to cycle more regularly, whether to keep fit, to commute to work or school, or to go and visit friends! The team can work with you to support your efforts by making sure that your riding skills are refreshed, and you have strategies for dealing with road situations that might concern you.

The session will be about 3 hours long and free of charge. They will come to you, chat about what you are trying to achieve, and then work on your route or specific challenges that you have.

Based on the National Standards for Cycling, and appropriate content from the Bikeability scheme, our fully qualified National Standard Cyclist Trainers will:

- show you how to ride with your children so that you can help them gain confidence;
- teach you a simple system for remembering how to deal with different road scenarios;
- work with you to improve your safety at any junctions you use;
- guide you in using your road position to control other road users and enhance your safety.

Priority will initially be given to families who want to cycle with their children, but whatever you require Suffolk Road Safe will endeavour to make it happen!

Please note: To ensure maximum safety during the sessions, the team have had to limit the age at which we can allow youngsters to be on the road. If you have children of 8 years old and above, the team can ride with you and them on the roads. For children 7 and below, the team will ride with parents and tell you how to ride correctly and how to protect the children as they cycle.

To book your free session, please email : CyclistTraining@suffolkhighways.org and John Showell - Road Safety Officer (Bikeability) - will arrange for a trainer to contact you.

Clare Swimming Club @ SVCS

We need you for 2021!

Since 2009, Clare Swimming Club has worked alongside SVCS to open it's outdoor pool to the local community for 4 weeks during the school holidays. With qualified lifeguards in attendance, the pool offers a lifeline for affordable & local swimming during the long summer break.

In 2021, the pool will be open from Monday July 19th - Friday August 13th. Swim sessions are from 10am-1pm & 2pm-5pm and cost £2 per person.

The pool is run by volunteers – not for profit. To open, we need one volunteer per session to sit by the gate and manage pool numbers. It's easy to do and very sociable. If you have a couple of hours free this summer, we'd really appreciate your help in keeping the pool running. **Please check out the volunteer's calendar on our Facebook site to sign-up or get further information.**

Please do not volunteer if you have young children to supervise in the pool

Key Dates for the rest of the Summer Term
