Looking Ahead

Re-introduction of National Lockdown We continue to make your children's education and wellbeing our first priority. With this in mind, please support us in trying to mitigate risk, so that we do not have send large groups of children home at any point.

1. Only one adult to drop off and pick up please.
2. Keep your distance in the playground and leave as soon as your child has joined their line. Please do not linger.
3. No parents or carers in the school building until further notice.
4. Please keep your children close to you and do not allow them to run around or use the play equipment.

Parents' Evening Please ring the office on 01787 277423 or email admin@clareprimary.org to book your telephone appointment time.

Children in Need Friday 13th November- non-uniform day. Please bring a £1.

Parking in the Mornings for Catkins Please do not park in the school car park when dropping off or collecting children from Catkins.

Messages

Tapestry

Please check that you have access to: tapestryjournal.com for your child's key stage. If they have moved to key stage 1 or 2 these are different sites so you will need to have accessed the new site. Any problems please email admin@clareprimary.org.

Unfortunately, Nature Detectives for Beech and Cedar classes is postponed until further notice as we rely on our parent volunteers to run this, and we obviously cannot use them at present.
