Newsletter

CLARE COMMUNITY
PRIMARY SCHOOL

Just a short first-day newsletter to warmly welcome everyone back to the new school year, and give an extra-special welcome to our new Acorn class and some new faces throughout the school including of course our new members of staff, Mrs. Lorna Stranger, our Deputy Headteacher who is also teaching in Cedar class, and Mr. Harry Conway, who is working as a Teaching Assistant in KS2. We hope that our new children will settle in quickly, and we look forward to getting to know their families.

I have just been round the school greeting the new classes, and I'm sure that a lot of the children have shot up by several inches. They all look incredibly smart and enthusiastic as we begin the term; it is our challenge now to keep that enthusiasm going!

On that note, I would like to invite you all to attend an Information Afternoon next Thursday, 14th September, between 4 and 5pm.

This will begin with twenty minutes in the school hall where I will run through some of our new initiatives, procedures and expectations. Then parents will go to classrooms

where teachers will be presenting powerpoints outlining the curriculum and classroom routines. We will present these Powerpoints three times, at 4.30, 4.40 and 4.50 so that those of you with several children can visit each teacher. We hope this will be a very useful introduction to the school year and also serve as a chance to get to know the staff and myself better.

Overleaf, you will find a list of clubs that we will be running this term.

School Dinners and Breakfast Club

We now operate a non-booking system. Children will need to know each day whether they are having a packed lunch or school dinner. **You will need to make sure that your Parentpay account has enough money in credit to fund the meals your child has.** Breakfast Club can be booked and paid for on Parentpay; we are welcoming new bookings at the moment.

Website

We hope to have our new website up and running by the end of next week; look out for the Twitter account!

Dates for your Diary

These dates will go our separately by the end of the week.

School Clubs I am delighted to be able to present to you a very comprehensive programme of both after-school and lunchtime clubs that will be running throughout the Autumn term. Several parents had commented on the questionnaire that went out at the end of last term that they would appreciate a wider range of after-school clubs to be available, so I hope you will agree that this represents a real improvement in provision.

Please fill in the form below to book places for each club; the year groups and numbers are stated next to each club. We will be working on a first-come, first-served basis initially, but we will also allocate places in additional clubs fairly so that we can serve as many children as possible. You only need to book clubs that have limited numbers or those which require a payment. Those which have been asterisked require additional payments (details with this form).

I am very appreciative that staff are giving their own time in order to offer these activities and I would like to remind parents that we will expect our customary high standards of behaviour, as outlined in the Behaviour for Learning Policy (please refer to the copy on our website or in the foyer). If a child is not behaving appropriately, they will receive one formal warning which will be conveyed to the parents via a phone-call. If behaviour continues to be unsatisfactory then the child will be asked to leave the club permanently. This will apply to the clubs run by outside agencies also. Likewise, we expect a letter or phone-call if a child needs to miss the club for some reason. If the club is missed for two weeks in a row, without adequate explanation, then the place will be given to someone else.

These forms need to be returned by Monday, **11th September**. Slips indicating which clubs children have been given places on will be sent out by the end of that week and clubs will commence the week beginning **17th September**.
