## Clare Community Primary School Updates

ISSUE

APRIL 2023

### Messages

#### School meals

Unfortunately, due to a rise in food costs, our meal providers Vertas have had to raise the price of school dinners. As of Tuesday 2<sup>nd</sup> May the cost of a school meal will be £2.53. Reception, Year 1 and Year 2 will continue to have free school dinners as part of the Universal Free School Meals scheme.

We will be offering a special Coronation menu for Friday 5th May. There will be no other school meal options on this day. Please see the attached Menu.

#### Boiler—Cold Lunches

Although we have now had the new part installed in our boiler we have been informed that it needs another couple of parts also so we will only be serving cold lunches until further notice. Thank you for your understanding in this matter.

Just a reminder that we are still using My School Fund if you would like to register at: www.myschoolfund.org

## **Looking Ahead**

#### **Catkins**

If you are late collecting from Catkins and have only paid for the early session, we will be charging for a later session. Please can we also remind parents to book children on before the day via parent pay.

#### **Upcoming assessments**

Year 6 SATs Tuesday 9<sup>th</sup> May to Friday 12<sup>th</sup> April. Please ensure that pupils are on time on these days. We will be offering a light breakfast snack from 8.30am to ensure they are in and settled in plenty of time.

Year 1 phonics screening will take place the week commencing Monday June  $12^{\rm th}$  .

Year 2 SATs assessments will take place in May .

#### **Meet the Governors**

Georgina Lovejoy (Chair of Governors)

I have lived in Clare for 24 years, and worked for the East of England Ambulance Service full time in a patient facing, frontline role for 11 years, which is a job I care passionately about. I spend some of my spare time running the local Clare Community First Responders Group on behalf of the ambulance service. I have been involved in Clare Community Primary School for 16 years in a combination of roles including Chair of the PTFA, member of the Governing Body before the school became a MAT, and lastly as Chair of the Governing Body for the last few years.

I live with my husband Matt, who runs a business from home and our two daughters - 21 and 16 years - both of whom attended Clare Primary and Stour Valley before heading off to University and West Suffolk College. We share our lives with 3 dogs (and other various animals) and enjoy nothing nicer than a long walk through the Clare countryside exploring our home town.

Declaration of Business Interests: Everything Orange (marketing company)

#### Stella Byrne

I moved to Clare in 2021. Being newly retired, I have enjoyed the opportunity to become involved in local societies and community events. I volunteer in the Country Park Visitor Centre, lead historical tours of Clare and volunteer weekly with CLASP supporting local elderly residents; preparing a hot meal and leading craft / socialisation activities. I enjoy long distance walking, swimming, sewing and craft activities.

My 40 year career was spent in education, working in primary schools in Hertfordshire and Kent. My final role was as Headteacher of a village primary school graded good with some outstanding elements. I have particular interests in enriching the curriculum, provision for SEND and innovative uses for Pupil Premium funding. I spent several years as a Local Authority Numeracy Consultant; offering training and curriculum development to schools and teachers across Kent. I also lectured on maths to PGCE and Primary Education students at Canterbury Christ Church University.

Declaration of Business Interests: None

#### Jenni Carter

I moved to Clare 3 years ago with my husband and our now 4 year old son who currently attends Clare bears pre-school. As a family we enjoy visiting the park often and getting involved in the community events. For the past 10 years I have worked in various analyst, research and performance monitoring roles within Essex County Council. Over this time I worked in many areas including adult social care, children's social care, public health and most recently the climate action commission. I am looking forward to my role as Governor and contributing to the Clare school community.

Declaration of Business Interests: None

#### Jon Craig

I am currently Head of Humanities at Stour Valley and have been since the school opened in 2011, building up the Humanities faculty to be high achieving and extremely popular for GCSE options. Prior to this I have worked in schools in West London, and High Wycombe. My wife works as a teaching assistant at a school just outside Bury where my two children also attend. I am a passionate geographer and love the subject I teach, always looking to improve. I also conduct the role of Educational Visits Coordinator, overseeing the visits that the school runs as well as leading the Year 7 residential to Thriftwood. Outside of school, I am an active member of Bradfield and Rougham Baptist Church, leading a yo

ella Byrneuth group for 8-13 year olds on a Friday night, the Sunday morning teenage group and giving children's talks with my monster puppet. I am a keen runner, enjoy exploring the wildlife of Suffolk and also coach an under-8 boys football team for Sporting 87.

Declaration of Business Interests: Teacher at SVCS

#### Rev Paul Graham

I moved to Clare in 2015 to take up the role of Minister at the Baptist Church here in the town. Since then, I have been heavily involved in the life of the community at large, including the schools. I joined the governing body in 2017 and have relished being part of the oversight of what is a very good school with dedicated staff. Away from church and community life, I am a keen (very) amateur gardener, a fan of most things science fiction related, an avid reader and an occasional jigsaw puzzle nut.

Declaration of Business Interests: None

Joey Kettle

I am a Clare resident and live with my wife Amy and Son Rory, who is 1 year old. I work for Dellar Sports Coaching as a Primary PE/Sports Coach, including at Clare Community Primary School where I teach PE and run clubs on Mondays, Tuesdays and Thursday mornings.

With my career being in education and having worked in many schools around Suffolk and Cambridge-shire, I feel, as a governor, I can offer experiences of other schools' successes and offer different ideas based on what I've seen. I am passionate about making the school the best place it can be for all involved.

#### **Shelley Thurgood**

I am a parent of two children who attend Clare Community Primary School, and will complete my BA Hons Integrative Counselling degree at the University of Suffolk by the end of April 2023 - my goal being a masters in Study Childhood Development and Attachment Theory. Childhood development is a very keen interest of mine, as my ultimate goal is to become a child therapist and work with creative arts. I am currently working for an organisation which supports and offers counselling and group work for families who are experiencing difficulties, and am a practicing counsellor, with safeguard training via Suffolk Council, for adults and children. I also have previous experience as a training manager, where my role was to assist and support young adults in completing their NVQ, in Maths, English and Hospitality. I am energetic and like to be busy; my interests have mainly been focused on my studying and reading, but I enjoy being creative and also organising charity events.

Declaration of Business Interests: None

#### Matthew Wickes

I've been a Parent Governor for over 2 years now and have found it an eye opening and yet thoroughly rewarding experience. I feel very grateful that I've been able to contribute to the schools journey, and am immensely proud of the way the staff and pupils have dealt with the incredibly challenging last 12 months.

In my day job I'm a Senior Leader with the NHS, but have spent the last 9 months on loan to the Department of Health and Social Care as part of COVID Response, working on helping to navigate us all through this horrendous period back to some sort or normality.

Declaration of Business Interests: None

## What Parents & Carers Need to Know about

WhatsApp is the world's most popular messaging service, with around two billion users exchanging texts, photos, videos and documents, as well as making voice and video calls. Its end-to-end encryption means messages can only be viewed by the sender and any recipients: not even WhatsApp can read them. Updates to its privacy policy in 2021 (involving sharing data with parent company Facebook) caused millions to leave the app, but the new policy was widely misinterpreted – it only related to WhatsApp's business features, not to personal messages.

WHAT ARE THE RISKS?

...TYPING...

#### POTENTIAL CYBERBULLYING

#### CONTACT FROM STRANGERS

#### LOCATION SHARING

**SCAMS** 

#### DISAPPEARING MESSAGES

#### ENABLING FAKE NEWS

## Advice for Parents & Carers CICK HERE

#### CREATE A SAFE PROFILE

Even though someone would need a child's phone number to add them as a contact, it's also worth altering a young person's profile settings to restrict who can see their photo and status. The options are 'everyone', 'my contacts' and 'nobody' – choosing one of the latter two ensures that your child's profile is better protected.

## EXPLAIN ABOUT BLOCKING 📨

#### REPORT POTENTIAL SCAMS

Young people shouldn't engage with any message that looks suspicious or too good to be true. When your child receives a message from an unknown number for the first time, they'll be given the option to report it as spam. If the sender claims to be a friend or relative, call that person on their usual number to verify it really is them, or if it's someone trying to trick your child.

#### LEAVE A GROUP

If your child is in a group chat that is making them feel uncomfortable, or has been added to a group that they don't want to be part of, they can use WhatsApp's group settings to leave. If someone exits a group, the admin can add them back in once; If they leave a second time, it is permanent.

#### THINK ABOUT LOCATION

If your child needs to use the 'live location' function to show you or one of their friends where they are, advise them to share their location only for as long as they need to. WhatsApp gives a range of 'live location' options, and your child should manually stop sharing their position as soon as it is no longer needed.

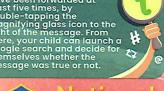

### DELETE ACCIDENTAL MESSAGES

BACK!

If your child posts a message they want to delete, WhatsApp allows the user seven minutes to erase a message. Tap and hold on the message, choose 'delete' and then 'delete for everyone.' However, it's important to remember that recipients may have seen (and taken a screenshot of) a message before it was deleted.

#### CHECK THE FACTS

You can now fact-check
WhatsApp messages that
have been forwarded at
least five times, by
double-tapping the
magnifying glass icon to the
right of the message. From
there, your child can launch a
Google search and decide for
themselves whether the
message was true or not.

#### Meet Our Expert
