## Updates

CLARE COMMUNITY  
PRIMARY SCHOOL

ISSUE 21

28TH FEBRUARY

### Messages

Welcome back, we hope you had a nice half term break. It is lovely to see that spring is definitely on the way.

This half term our Jigsaw PHSE topic is Healthy Me. We would like to take the opportunity to encourage the pupils to make sensible choices with their snacks. I am very aware that some children struggle to eat certain foods and we of course take this into account when discussing healthy lifestyles.

We are also hoping to be getting full use of our school field this half term as the ground begins to dry out a bit more.

Science week begins March 14th. This is a national event and the focus this year is 'Growth'. Mr Wilson and the class teachers are planning a range of activities around this theme and also general activities to promote scientific enquiry.

### Looking Ahead

Thursday 3rd March. Children may dress up as a book character or come in school uniform and bring in their favourite book to share.

Friday 18th March. Wear school uniform with 1 item of red and bring in a small donation (Suggested donation £1) A donation button for this will be available on ParentPay.

#### Catkins

All Catkins Sessions from Friday 18th have been credited. Please note that cancellations must be made two weeks in advance.
