Dear Parents/Carers,

We would like to take this opportunity to give you a warm welcome as the children return back to a new and exciting school year at Clare. We hope you have had a lovely summer break with your families and your children are looking forward to making new friends, sharing new experiences and trying new challenges.

As we begin another new chapter in the life of the school, we would like to share and celebrate with you the successes of the last school year. We are very proud of all our children and staff and the effort they have put into their learning and teaching.

Achievement consists of so much more than the external standardised tests. We see on a daily basis the children's enthusiasm for learning, their ability to work together and share their ideas with others, and the pride they have in their work, their classes and their school; however, it is highly gratifying that this year we have seen a huge improvement in results throughout the whole school.

It is with pride that we share the following results with you, and hope you will join us in congratulating pupils and staff- and yourselves- for your ongoing support and goodwill throughout the year.

With warmest wishes,

Gayle Mallows
