This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also takes into account the DfE statutory guidance “Keeping Children Safe in Education” 2018. The school has read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

Policy objectives:

This policy outlines what we at Clare Community Primary school will do to prevent and tackle all forms of bullying.

At Clare Community Primary School we are committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

We are committed to providing a warm, caring and safe environment for all our children so that they can learn and play in a relaxed and secure environment. Bullying of any kind is unacceptable and will not be tolerated in our school. We take all incidents of bullying seriously. Bullying hurts. No-one deserves to be a victim of bullying. Everybody has the right to be treated with respect and pupils who are bullying others need to learn different ways of behaving. When bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively in accordance with our anti-bullying policy.

This policy links with a number of other school policies, practices and action plans including:

Behaviour for learning policy

Complaints policy

Safeguarding policy

Confidentiality policy

Online safety and Acceptable use policies (AUP)

There are a number of pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- School Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

Aims and Objectives of this Policy

The aim of this policy is to try to prevent and deal with any behaviour deemed as bullying. The implementation of this policy will create an ethos where bullying is regarded as unacceptable so that a safe and secure environment is created for everyone to learn and work in. All members of the school have a responsibility to recognise bullying when it occurs and take appropriate action in accordance with the school policy. This will happen in the following ways:

- The school will meet the legal requirement for all schools to have an anti-bullying policy in place.
- The school will work closely with other professional agencies to ensure that children stay safe.
- All governors, teaching and non-teaching staff, pupils and parents/guardians will have an understanding of what bullying is.
- All governors, teaching and non-teaching staff will know what the school policy is on bullying and will consistently and swiftly follow it when bullying is reported.
- All pupils and parents/guardians will know what the school policy on bullying is and what they can do if bullying occurs.
- Pupils and parents/guardians will be assured that they will be supported when bullying is reported.
- Whole school initiatives (staff training, assemblies etc.) and proactive teaching strategies (PSHE [Personal, Social and Health Education] lessons, circle time etc.) will be used throughout the school to reduce the opportunities for bullying to occur.
- A positive, caring ethos will be created within the school environment where everyone can work, play and express themselves, free from the fear of being bullied.

Definition of bullying

Bullying is “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

Bullying can be a form of peer on peer abuse and can be emotionally abusive; it can cause severe and adverse effects on children's emotional development.

Forms of bullying covered by this policy

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion, nationality or culture o Bullying related to SEND (Special Educational Needs or Disability)
- Bullying related to appearance or physical/mental health conditions
- Bullying related to sexual orientation (homophobic bullying)
- Bullying of young carers, children in care or otherwise related to home circumstances
- Sexist, sexual and transphobic bullying
- Bullying via technology, known as online or cyberbullying

Bullying is not:

It is important to understand that bullying is not the odd occasion of falling out with friends, name calling, arguments or when the occasional trick or joke is played on someone. It is bullying if it is done several times on purpose (STOP). Children sometimes fall out or say things because they are upset. When occasional problems of this kind arise it is not classed as bullying. It is an important part of children's development to learn how to deal with friendship breakdowns, the odd name calling or childish prank. We all have to learn how to deal with these situations and develop social skills to repair relationships.

Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The headteacher/ designated safeguarding lead or another member of leadership staff will interview all parties involved.

- The designated safeguarding lead will be informed of all bullying issues where there are safeguarding concerns.
- The school will inform other staff members, and parents/ carers, where appropriate.
- Sanctions (as identified within the school behaviour policy) and support for individuals will be implemented, in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services including early help or children's social care (if a child is felt to be at risk of significant harm).
- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with the school's behaviour policy.
- A clear and precise account of the incident will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

We have ensured staff have access to the Childnet Cyberbullying guidance

<https://www.childnet.com/resources/cyberbullying-guidance-for-schools>

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible.

This may include:

- looking at use of the school systems;
- identifying and interviewing possible witnesses;
- Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation.

This may include:

- Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
- Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and also the school searching and confiscation policy. (Note: Schools should ensure they access the DfE 'Searching, screening and confiscation at school'

and Childnet Cyberbullying guidance <https://www.childnet.com/resources/cyberbullying-guidance-for-schools>

to ensure that the schools powers are used proportionately and lawfully)

- Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.

- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online.

This may include:

- advising those targeted not to retaliate or reply;
- providing advice on blocking or removing people from contact lists;
- helping those involved to think carefully about what private information they may have in the public domain.

What can you do if you are being bullied?

Wherever you are in school, you have the right to feel safe. Nobody has the right to make you feel unhappy. If someone is bullying you, it is important to remember that it is not your fault and there are people who can help you.

What can you do if you see someone else being bullied? (The role of the bystander)

Ignoring bullying is cowardly and unfair to the victim. Staying silent means the bully has won and gives them more power. There are ways you can help without putting yourself in danger.

- Always tell a member of staff.
- Don't smile or laugh at the situation. · Don't rush over and take the bully on yourself. · Don't be made to join in.
- If safe to do so, encourage the bully to stop bullying.
- If you can, let the bully know you do not like his or her behaviour.
- Shout for help.
- Let the victim(s) know that you are going to get help.
- Tell a member of staff as soon as you can.
- Try to befriend the person being bullied.
- Encourage the person to talk to someone and get help.
- Ask someone you trust about what to do.
- If you don't feel you can talk to someone about it, write it down and give it to a member of staff.
- Call a helpline for some advice.

Bullying of children with Special Educational Needs

Clare Community Primary School is an inclusive school. We provide a secure, accepting, safe and stimulating environment where everyone is valued for who they are. As an inclusive school we have some children who have learning disabilities and/or communication difficulties. Everyone involved in the school is very aware that these children can be especially vulnerable to bullying and we are therefore particularly vigilant at all times. High attainers, gifted or talented pupils can also be affected by bullying. Staff will treat this type of bullying as seriously and in the same way as any other type of bullying.

Procedures for reporting and responding to bullying incidents

All staff will respond calmly and consistently to all allegations and incidents of bullying. They will be taken seriously by all staff and dealt with impartially and promptly. All those involved will have the opportunity to be heard. Staff will protect and support all children involved whilst allegations and incidents are investigated and resolved. The following step-by-step procedure will be used for reporting and responding to bullying allegations or incidents:

1. Report all bullying allegations and incidents to SLT.
2. Staff will make sure the victim(s) is and feels safe.
3. Appropriate advice will be given to help the victim(s).
4. SLT will listen and speak to all children involved about the incident separately.
5. The problem will be identified and possible solutions suggested.
6. A problem solving approach which will move children on from them having to justify their behaviour.
7. Appropriate action will be taken quickly to end the bullying behaviour or threats of bullying.
8. Staff will reinforce to the bully that their behaviour is unacceptable.
9. The bully (bullies) may be asked to genuinely apologise. Other consequences may take place and appropriate sanctions applied (see next section).
10. If possible, the pupils will be reconciled.
11. An attempt will be made, and support given, to help the bully (bullies) understand and change his/her/their behaviour.
12. The incidents will be recorded by the Headteacher in the Bullying Log. All reports will be kept in a file in the Headteacher's office.
13. Parents will be informed and will be invited to come into school to discuss the problem.
14. After the incident has been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
15. All staff will be updated on any incident at weekly briefing.

16. If necessary and appropriate the Senior Designated Person for Safeguarding in school, if other than the Headteacher, Social Services and/or police will be consulted.

Sanctions

Please refer to the Behaviour for Learning Policy.
